WHO WE ARE

The Foundation for the Immokalee Child Care Center was established in 1996 to provide an endowment fund for on-going financial support for the Immokalee Child Care Center.

The Immokalee Child Care Center was established in 1964 to provide subsidized childcare to the children of farm workers and low income working families. Today, the Center provides care, nutrition and early education to preschool children from families with income levels at or below poverty levels. The children are considered “at risk” for failure by virtue of their circumstances.

On behalf of the children, staff from the Immokalee Child Care Center and The Foundation, I wish to thank you for participating in our past celebrity Golf Invitations. This year we celebrate our 13th season. We look forward to your participation in this year's event.

Sincerely,
Don Vining
